

Firelighter Tidy

FIR242

The Firelighter Tidy is a handy and convenient container designed to store firelighters away, thereby reducing odour and hiding unsightly boxes. The Tidy is a useful size that can also be used for storing other items such as cloths, matches and lighters. The flip top lid is created to be easy to use and the flat base gives stability. Constructed from steel, the Tidy has a stylish, durable deep gloss black powder coated finish and will prove to be a useful companion to any fireplace.

The Firelighter Tidy design complements the Match Tidy, Fireside Tidy and Fireside Bucket.

- Store firelighters safely away
- Attractive design to hide unsightly boxes
- Flip top lid for easy access
- Reduces firelighter odour
- Strong steel construction, made to last
- Durable black gloss finish
